Report Date: February 11, 2026 at 13:21
Analysis Scope: 5 files, 299 lines of code

Executive Summary

Overall Health Score: 84/100 (Grade: B)

The codebase is in **good health** with some areas requiring attention. Address the action items below to prevent technical debt accumulation.

Risk Assessment

■ No significant risks identified. The codebase maintains acceptable risk levels across all dimensions.

Regression Check

No previous snapshot available for comparison. Run DevDoc at least twice to enable regression detection.
